COMPANY, a California Corporation

Civil Case No. **'16CV1609 CAB JLB**

**CLASS ACTION COMPLAINT  
FOR DAMAGES**

**DEMAND FOR JURY TRIAL**

**INTRODUCTION**

1. Anton Ewing ("Plaintiff"), by and through his attorneys, brings this Class Action Complaint for damages, injunctive relief, and any other available legal or equitable remedies, resulting from the illegal actions of Defendant SQM US, INC. and Defendant Blue Shield of California Life & Health Insurance

1 Company, collectively “Defendants”, in negligently or intentionally contacting  
2 Plaintiff on Plaintiff’s cellular telephone, in violation of the Telephone Consumer  
3 Protection Act, 47 U.S. C. §227 et seq., (“TCPA”), thereby invading Plaintiff’s  
4 privacy. Plaintiff alleges as follows upon personal knowledge as to himself and his  
5 own acts and experiences, and, as to all other matter, upon information and belief,  
6 including investigation conducted by their attorneys.  
7

8         2. In enacting the TCPA, Congress intended to give consumers a choice  
9 as to how creditors and telemarketers may call them, and made specific findings  
10 that “[t]echnologies that might allow consumers to avoid receiving such calls are  
11 not universally available, are costly, are unlikely to be enforced, or place an  
12 inordinate burden on the consumer. TCPA, Pub.L. No. 102-243, § 11.  
13

14 Toward this end, Congress found that

15         [b]anning such automated or prerecorded telephone calls to the home, except  
16 when the receiving party consents to receiving the call or when such calls  
17 are necessary in an emergency situation affecting the health and safety of the  
18 consumer, is the only effective means of protecting telephone consumers  
from this nuisance and privacy invasion.

19 *Id.* at § 12; *see also* Martin v. Leading Edge Recovery Solutions, LLC, 2012 WL  
20 3292838, a\*4 (N.D.Ill. Aug. 10, 2012) (citing Congressional findings on TCPA’s  
21 purpose).

22         3. Congress also specifically found that “the evidence presented to the  
23 Congress indicates that automated or prerecorded calls are a nuisance and an  
24 invasion of privacy, regardless of the type of call...” *Id.* At §§ 12-13. See also,  
25 *Mims*, 132 S. Ct. At 744.

1           4.     As Judge Easterbrook of the Seventh Circuit recently explained in a  
2 TCPA case regarding calls to a non-debtor similar to this one:

3                   The Telephone Consumer Protection Act...is well known for  
4                   It's provisions limiting junk-fax transmissions. A less-litigated  
5                   part of the Act curtails the use of automated dialers and  
6                   prerecorded messages to cell phones, whose subscribers often  
7                   Are billed by the minute as soon as the call is answered--and  
8                   Routing a call to voicemail counts as answering the call. An  
9                   Automated call to a landline phone can be an annoyance; an  
10                   Automated call to a cell phone adds expense to annoyance.

11           *Soppet v. Enhanced Recovery Co., LLC*, 679 F.3d 637, 638 (7<sup>th</sup> Cir. 2012).

## 12                                   **JURISDICTION AND VENUE**

13           5.     This Court has federal question jurisdiction because this case arises  
14 out of violation of federal law. 47 U.S.C. §227(b); *Mims v. Arrow Fin. Servs.*,  
15 LLC, 132 S. Ct. 740 (2012).

16           6.     Venue is proper pursuant to 28 U.S.C. § 1391 for the following  
17 reasons: (i) Plaintiff resides in the County of San Diego, State of California which  
18 is within this judicial district; (ii) the conduct complained of herein occurred within  
19 this judicial district; and, (iii) Defendants conducted business within this judicial  
20 district at all times relevant.

## 21                                   **PARTIES**

22           7.     Plaintiff is, and at all times mentioned herein was, a citizen and  
23 resident of the County of San Diego, State of California. Plaintiff is, and at all  
24 times mentioned herein was, a "person" as defined by 47 U.S.C. § 153 (39).  
25

1           8.     Plaintiff is informed and believes, and thereon alleges, that Defendant  
2 SQM US, INC. is, and at all times mentioned herein was, a corporation whose  
3 State of Incorporation and principal place of business is in the State of Idaho.

4           9.     Plaintiff is informed and believes, and thereon alleges, that Defendant  
5 BLUE SHIELD OF CALIFORNIA LIFE & HEALTH INSURANCE COMPANY  
6 is, and at all times mentioned herein was, a corporation whose State of  
7 Incorporation and principal place of business is in the State of California.

8           10.    Defendants, are and at all times mentioned herein were, a corporation  
9 and are a “person,” as defined by 47 U.S.C. § 153 (139).  
10

11           11.    Plaintiff alleges that at all times relevant herein Defendants conducted  
12 business in the State of California and in the County of San Diego, and within this  
13 judicial district.  
14

15  
16                           **FACTUAL ALLEGATIONS**

17           12.    At all times relevant, Plaintiff was a citizen of the State of California.  
18 Plaintiff is, and at all times mentioned herein was, a “person” as defined by 47  
19 U.S.C. § 153 (39).  
20

21           13.    Defendants are, and at all times mentioned herein were, a corporation  
22 and a “person” as defined by 47 U.S.C. § 153 (39).  
23

24           14.    At all times relevant Defendants conducted business in the State of  
25 California and in the County of San Diego, within this judicial district.

1           15. On October 21, 2015, Defendants called Plaintiff's cellular telephone  
2 number 619-719-9640, from telephone number 916-910-0768.

3           16. Plaintiff did not provide Defendants with his cellular telephone  
4 number.

5           17. The call Defendants placed to Plaintiff's cellular telephone were  
6 placed via an "automatic telephone dialing system," ("ATDS") as defined by 47  
7 U.S.C. § 227(b)(1)(A).  
8

9           18. This ATDS has the capacity to store or produce telephone numbers to  
10 be dialed, using a random or sequential number generator.  
11

12           19. The telephone number that Defendants, or their agents, called were  
13 assigned to a cellular telephone service for which Plaintiff incurs a charge for  
14 incoming calls pursuant to 47 U.S.C. § 227(b)(1)  
15

16           20. These telephone calls constituted calls that were not for emergency  
17 purposes as defined by 47 U.S.C. § 227(b)(1)(A)(i)  
18

19           21. Plaintiff is neither a subscriber nor client of Defendants services,  
20 never contacted Defendants, nor provided Defendants with his personal  
21 information or cellular telephone number. Thus, at no time did Plaintiff provide  
22 Defendants or their agents with prior express consent to receive unsolicited  
23 telephone calls, pursuant to 47 U.S.C. § 227 (b)(1)(A).  
24  
25

1           22. These telephone calls by Defendants, or its agents, violated 47 U.S.C.  
2 § 227(b)(1).

3                                   **CLASS ACTION ALLEGATIONS**

4           23. Plaintiff brings this action on behalf of himself and on behalf of all  
5  
6 others similarly situated (“the Class”).

7           24. Plaintiff represents, and is a member of the Class, consisting of:

8                   All persons within the United States who received any telephone call/s  
9                   From Defendants or their agent/s and/or employee/s to said person’s  
10                  cellular telephone made through the use of any automatic telephone  
11                  dialing system within the four years prior to the filing of the  
                  Complaint.

12           25. Defendants and their employees or agents are excluded from the  
13  
14 Class. Plaintiff does not know the number of members in the Class, but believes  
15  
16 the Class members number in the hundreds of thousands, if not more. Thus, this  
17  
18 matter should be certified as a Class action to assist in the expeditious litigation of  
19  
20 this matter.

21           26. Plaintiff and members of the Class were harmed by the acts of  
22  
23 Defendants in at least the following ways: Defendants, either directly or through  
24  
25 its agents, illegally contacted Plaintiff and the Class members via their cellular  
26  
27 telephones by using an ATDS, thereby causing Plaintiff and the Class members to  
28  
29 incur certain cellular telephone charges or reduce cellular telephone time for which  
30  
31 Plaintiff and the Class members previously paid, and invading the privacy of said

1 Plaintiff and the Class members. Plaintiff and the Class members were damaged  
2 thereby.

3 27. This suit seeks only damages and injunctive relief for recovery of  
4 economic injury on behalf of the Class, and it expressly is not intended to request  
5 any recovery for personal injury and claims related thereto. Plaintiff reserves the  
6 right to expand the Class definition to seek recovery on behalf of additional  
7 persons as warranted as facts are learned in further investigation and discovery.  
8

9 28. The joinder of the Class members is impractical and the disposition of  
10 their claims in the Class action will provide substantial benefits both to the parties  
11 and to the court. The Class can be identified through Defendants' records or  
12 Defendants' agents' records.  
13

14 29. There is a well-defined community of interest in the questions of law  
15 and fact involved affecting the parties to be represented. The questions of law and  
16 fact to the Class predominate over questions which may affect individual Class  
17 members, including the following:  
18

- 19 a) Whether, within the four years prior to the filing off the Complaint,  
20 Defendants made any call/s (other than a call made for emergency purposes  
21 or made with the prior express consent of the called party) to the Class  
22 members using any automatic telephone dialing system or an artificial or  
23  
24  
25

1 prerecorded voice to any telephone number assigned to a cellular telephone  
2 service.

- 3 b) Whether Defendants can meet their burden of showing they obtained prior  
4 express consent (i.e., consent that is clearly and unmistakably stated);  
5  
6 c) Whether Defendants conduct was knowing and/or willful;  
7  
8 d) Whether Plaintiff and the Class members were damaged thereby, and the  
9 extent of damages for such violation; and  
10  
11 e) Whether Defendants and their agents should be enjoined from engaging in  
such conduct in the future.

12 30. As a person that received at least one telephonic communication from  
13 Defendant's ATDS without Plaintiff's prior express consent, Plaintiff is asserting  
14 claims that are typical of the Class. Plaintiff will fairly and adequately represent  
15 and protect the interests of the Class as the Plaintiff has no interests antagonistic to  
16 any member of the Class.  
17

18 31. Plaintiff and the members of the Class have all suffered irreparable harm as  
19 a result of the Defendants' unlawful and wrongful conduct. Absent a class action,  
20 the Class will continue to face the potential for irreparable harm. In addition, these  
21 violations of law will be allowed to proceed without remedy and Defendants will  
22 likely continue such illegal conduct. Because of the size of the individual Class  
23  
24  
25

1 member's claims, few, if any, Class members could afford to seek legal redress for  
2 the wrongs complained of herein.

3 32. Plaintiff has retained counsel experienced in handling class action claims  
4 and claims involving violations of the Telephone Consumer Protection Act.  
5

6 33. A class action is a superior method for the fair and efficient adjudication of  
7 this controversy. Class-wide damages are essential to induce Defendants to  
8 comply with federal and California law. The interest of Class members in  
9 individually controlling the prosecution of separate claims against Defendants is  
10 small because the maximum statutory damages in an individual action for violation  
11 of privacy are minimal. Management of these claims is likely to present  
12 significantly fewer difficulties than those presented in many class claims.  
13

14 34. Defendants have acted on grounds generally applicable to the Class,  
15 thereby making appropriate final injunctive relief and corresponding declaratory  
16 relief with respect to the Class as a whole.  
17
